2. **Applicant/Organization Background**

Describe the applicant/organization history and mission:

This political subdivision of the State of Missouri was formed Oct. 20, 1980 to improve the environment and promote business in the area.

We strive to expand the remarkable revitalization of this exciting restaurant, shopping and arts & entertainment district by encouraging unique businesses to locate in The Loop by emphasizing diversity, by implementing infrastructure improvements, and by planning special events for the enjoyment of residents and visitors. The Loop was designated "One of the 10 Great Streets in America" by the American Planning Association.

Describe the applicant/organization programs and activities:

Business promotion/recruitment/retention, economic development/planning/marketing, promotion of tourism, special events/decorations, advertising, capital improvements/cleaning/trash collection on weekends, streetscape amenities including bicycle racks, beautification, monthly meetings, newsletters for good communication, website, social media, co-promotions.

If the request is from an organization, please provide proof of organizational support for the application (i.e. letter from organization on official letterhead, meeting minutes, etc.).

Requests and suggestions were made at monthly meetings open to all property owners, merchants and other interested parties at the April and May 2019 general meetings and board meetings. Chair Joe Edwards agreed to submit the applications.
SECTION 2: PROGRAM OR PROJECT INFORMATION

3. Program or Project Summary (attach additional sheets if necessary)

Description of the Program or Project. In addition to a detailed description of the project, include a summary of the need for the program or project, goals and objectives, partners, and how the program or project meets any City plans or policies.

Print and distribute 50,000 full-color Loop brochures/directories and update listings/maps on the illuminated, free-standing info kiosks. This is The Loop's most important print piece that we distribute ourselves. All info is replicated on our website. The brochures are available at Loop businesses, six visitors' centers downtown, the convention center and via mail. They are in “Welcome” packets at U. City Hall when families move to U. City.

Describe the number of part-time and full-time jobs to be created by the specific request and average wages for these jobs.

As The Loop competes with other districts in the area, it's important that we attract new people moving to St. Louis as well as those already here. When new businesses are drawn to The Loop and more media coverage occurs because of these brochures, new jobs will be created as storefronts are filled. Just as important are the jobs retained and the businesses that succeed. This time-intensive project is worth the effort.

Define the expected outcomes of the project, milestones and how the project success will be measured.

The fact that Explore St. Louis (Convention & Visitors Commission) docents call us when they run low on Loop brochures is a wonderful sign. Visitors who have read about The Loop in national publications or airline magazines actually ask for these brochures. Because of the well-organized wealth of information contained in the brochures media producers and writers keep them as a reference tool. Info about businesses includes name, address, website, description and year opened. All Walk of Fame honorees with location address and facts about The Loop are included for reference.
