We strive to expand the remarkable revitalization of this exciting restaurant, shopping and arts & entertainment district by encouraging unique businesses to locate in The Loop by emphasizing diversity, by implementing infrastructure improvements, and by planning special events for the enjoyment of residents and visitors. The Loop was designated "One of the 10 Great Streets in America" by the American Planning Association.

Business promotion/recruitment/retention, economic development/planning/marketing, promotion of tourism, special events/decorations, advertising, capital improvements/cleaning/trash collection on weekends, streetscape amenities including bicycle racks, beautification, monthly meetings, newsletters for good communication, website, social media, co-promotions.

SECTION 2: PROGRAM OR PROJECT INFORMATION

3. **Program or Project Summary (attach additional sheets if necessary)**

Description of the Program or Project. In addition to a detailed description of the project, include a summary of the need for the program or project, goals and objectives, partners, and how the program or project meets any City plans or policies.

The Official St. Louis Visitors Guide – 350,000 printed/distributed year-round in St. Louis hotels, visitors centers state-wide, the St. Louis Convention Center, Loop businesses and the Explore St. Louis website (one of the most-visited websites in the Midwest).

Sent to students, families, visitors who request them – the only guide people receive before they move to St. Louis. It enhances the odds they’ll look at University City for housing, etc.

The Loop is featured on 29 out of 96 pages! (See attached list.) Plus a lot of well-deserved editorial. Also, The Loop is prominently represented (the best of any neighborhood) in the Official Visitors Map of St. Louis (quick reference pocket guide). Please review attached statistics sheet.

Describe the number of part-time and full-time jobs to be created by the specific request and average wages for these jobs.

Job creation predictions are always difficult. What is very meaningful follows:

It’s important that The Loop remains one of the top three or four St. Louis districts featured in travel and business publications around the United States and St. Louis.

When visitors and decision makers are drawn to The Loop because of these two guides, new jobs will be created as storefronts are filled. Equally important are the jobs and businesses that are retained and gain midwestern and nationwide reputations. This time-intensive project is worth the effort.

Define the expected outcomes of the project, milestones and how the project success will be measured.

Success has been shown year after year, especially in the spring and summer when things used to slow down on Delmar.

Travel writers and local media now urge visitors and locals to check out the independent shops and restaurants in The Loop. Attached are the two guides – please take a look.

One excellent example of the impact comes from Componere Gallery (a Loop stalwart for 33 years). Owner Eleanor Ruder tracks sales (not just visitors, but visitors who actually purchase art) and confirms that 50% of her summer sales come from visitors who read about her gallery in the Visitors Guide at the Moonrise Hotel or hotels in Clayton or downtown.
