The Latest News From University City

Issue Date: February 7, 2020

Thank you for subscribing to our weekly email news bulletin! If you have any questions or feedback contact Communications Director Allison Bamberger at abamberger@ucitymo.org.

Personnel Update

Human Resources Director Yolanda Howze will be leaving our organization to begin a career in the private sector. During her time with us, Ms. Howze oversaw the class and compensation study and its implementation. In addition, she was responsible for working through personnel matters that have resulted in zero lawsuits filed. Her last day will be March 6th and she will be greatly missed!

Public Works Update

- A regular Traffic Commission Meeting is scheduled for Wednesday, February 12, at 6:30 p.m. at the Heman Park Community Center. The discussion on the agenda is the consideration of a Residential Parking Permit Zone petition in the block of Williams Ave. between Pershing Ave. and Waterman Ave.
- The department's contractors Pride Master, Inc./Westfall Contracting will be working on sidewalk-curb replacement and Americans with Disabilities Act (ADA) improvements in the 1500 block of 79th Street, weather-permitting. If our residents

have any specific questions about the work, please contact the department office.

- A Heman Park Community Center roof replacement project is substantially completed at this facility. The old roof had issues that caused several leaks into the building and adversely affected public meetings, court sessions and events. The replacement roof is a product that will provide the facility with a reliable top cover and warranted 20 years for any defects.
- At their February 24th meeting, Council will consider the creation of a Stormwater Advisory Committee. This committee's purpose would be the implementation of the early warning flood system and advising Council and the City Manager on creating a comprehensive stormwater master plan for University City.

- At the Historic Preservation Commission Meeting this week, the Commission denied the deign of the Tru Hotel, however, the 40 plus residents attending the meeting seemed pleased with the design that was proposed. On February 20, 2020 the HPC will provide the Zoning Administrator with the rationale for the denial. The proposed Tri-Star development will now advance to the Planning Commission for its consideration.
