Because of the amount of refuse generated by my household, I hereby request an additional refuse cart for collection and disposal. I also agree to pay an additional full \$110.10 charge of the regular refuse rate for this second container. I understand that I currently pay \$110.10 for one (1) refuse container and this will increase the refuse service charge for a six-month billing cycle to \$220.20 for two (2) refuse containers.
