

**University City's Community Vision 2040 Think-Tank sessions have been rescheduled from mid-October to Thursday, February 24 and Saturday, February 26.** This schedule change occurred due to the rise of the Delta variant and increased risk of COVID transmission. At the current time, the February Think-Tank is scheduled to be held in-person at the Heman Park Community Center. Should circumstances change due to pandemic restrictions, the Think-Tank will be held virtually. Additional details on registration will be provided closer to the Think-Tank at [www.ucitymo.org/Vision2040](http://www.ucitymo.org/Vision2040).

## Adjusted Think-Tank Schedule

Thursday, February 24 from 6:00 - 9:00 p.m.

Saturday, February 26 from 9:00 a.m. - Noon

*The activities conducted are connected, but not replicated at both sessions. The public is strongly encouraged to attend both sessions.*

## Participate and Connect with us Digitally!

We want to hear from everyone including residents, business owners, students, people who work in U City, etc. To take our brief survey, follow the project and contribute your ideas, visit [www.ucitymo.org/Vision2040](http://www.ucitymo.org/Vision2040). To receive regular project updates, email [UCLife@ucitymo.org](mailto:UCLife@ucitymo.org).
