Honorable Terry Crow,  
Members of the City Council,  
and University City Residents:

## Public Works

Spring Curbside Leaf Collection is wrapping up! This service is scheduled for the Central area in the work week starting on Monday, March 21, 2022. We ask that our residents rake their leaves to the curb line between the Friday before collection begins in your area and Monday 7 AM of your collection week. The truck will make only one pass per household. Please do not mix other yard waste (gumballs, trash, small tree branches/limbs, brush, grass clippings, etc.) in with leaves and continue using the yard waste collection service for the disposal of other yard waste.

## PLANT & SHRUB DONATIONS NEEDED

U City in Bloom needs donations of perennial plants and shrubs for our Annual Plant Sale. Get your gardening tools out and start digging! Donations will be accepted at the Vernon Nursery starting Monday March 21st, and volunteers will begin potting in earnest April 1st.

Please place donated plants in plastic bags with an accompanying note that includes common and botanical name of the plant (if known), height, color, and any other special characteristics. Please no liriope, bamboo or tall orange day lilies! Other day lilies, and iris donations, should include a photo of the bloom or accurate description. Bring your donations to the Vernon Nursery at 6860 Vernon (next to the Dog Park) and place them under the shelter.

If you need assistance digging up plants, we will help. To request help with digging, or volunteer to help with potting, email Linda at [lindafriedster@gmail.com](mailto:lindafriedster@gmail.com) or text her at 314-369-0530.
