University City Community Vision 2040 Project Update

Save the Dates!

Strategic Pillar Focus Groups will take place June 15-18, 2022

The University City Community Vision 2040 project is embarking on the final steps to create a vision and strategic action plan that will help guide the comprehensive planning process.

Join the Vision 2040 Task Force and community members, as they dig into the six strategic pillars identified through the visioning process:

6 Strategic Pillars:

- Sustainability
- Social Fabric
- Education/Schools
- U-City's Relationship with Washington University
- Neighborhood Nodes and Local Business Districts
- Olive Boulevard Redevelopment

Six Strategic Pillar Focus Groups will be held in-person June 15-18. Keep an eye on the project portal for registration to open soon!

Police Department (UCPD)

The University City Police Department, in collaboration with the Drug Enforcement Administration (DEA), will be offering the public an opportunity to safely dispose of expired, unused, and unwanted prescription drugs.

The collection will take place on April 30th from 10 a.m. until 2 p.m. at Millbrook Pharmacy, 7010 Pershing Ave., University City, MO 63130. The service is free and anonymous.

Please note, for safety reasons, the DEA will only accept pills or patches. They cannot accept liquids, needles, or sharps. (see Attachment 1)

Public Works

Please watch for a survey in the mail that intends to collect our citizens' input on stormwater needs and concerns. The survey can be filled out in ink and mailed back/dropped off at the University City Public Works department, filled out online or the information can also be called in to a designated phone messaging system. For properties that are in the 100-year floodplain there are additional questions in the survey.

Residential Street Sweeping will be performed in the West area in the work week beginning on Monday, May 2, 2022. This service is intended to reduce the materials entering the sewer system and improve the appearance and cleanliness of City streets. Please do use residential driveways as available for parking during the week in the service area in order for the department to conduct an effective street sweeping.

Stickers will be required for collection of yard waste beginning on July 1, 2022.

A Commission on Storm Water Issues regular monthly meeting is scheduled for Tuesday, May 3 at 6:30 p.m. The meeting will be hosted at the Heman Park Community Center.

Monthly Street Sweeping of thoroughfare and multifamily residential zones is scheduled to be conducted in the below-listed parking restriction posted zones:

Volunteer Coaches Needed for Redbird Rookies

The Recreation Division and University City School District partnered with the St. Louis Cardinals to provide a FREE noncompetitive, coed youth T-ball, Baseball and Softball sports program for University City youth ages 5 to 13. In addition to providing all the uniforms and equipment needed for each team, Redbird Rookies provides extensive off-field support in the areas of health, education, mentoring, cultural arts and scholarship.

Redbird Rookies coaches and league organizers take part in training sessions led by Positive Coaching Alliance and USA Baseball, that teach innovative coaching practices and character-building techniques that are essential to each participant's growth. Parents are also involved, as they participate in courses that share how to encourage and support their children through positive reinforcement. In addition to the training the adults receive, Redbird Rookies participants are led in a series of clinics taught by Cardinals Alumni and USA

Softball players that teach the fundamentals of the game. Online Registration is Required. (see Attachment 3)
