Community Report: 0522-18

Honorable Terry Crow,  
Members of the City Council,  
and University City Residents:

### Administration

#### **University City Community Vision 2040 Project Update**

The University City Community Vision 2040 Think-Tank Report has now been published!

This report summarizes the outcomes of the University City Community Vision 2040 Think-Tank held on March 10 and 12, 2022. Participants spent two sessions of three hours each crafting a range of plausible future scenarios for the future of University City looking out to 2040. The Think-Tank sessions aimed to:

- Deepen the understanding of how external events and local conditions could shape decision-making
- Identify and understand the key influences, trends, and dynamics that will shape University City looking out to 2040
- Create and describe four plausible long-term scenarios for the City
- Begin exploring alignment around a shared future vision

## Public Works

**Stickers will be required for collection of yard waste beginning on July 1, 2022.**

Please watch for a survey in the mail that intends to collect our citizens' input on stormwater needs and concerns. The survey can be filled out in ink and mailed back/dropped off at the University City Public Works department, filled out online or the information can also be called in to a designated phone messaging system. The properties that are in the 100-year floodplain will receive additional questions in the survey.

Residential Street Sweeping will be performed in the East area in the work week beginning on Monday, May 9, 2022. This service is intended to reduce the materials entering the sewer system and improve the appearance and cleanliness of City streets. Please do use residential driveways as available for parking during the week in the service area in order for the department to conduct an effective street sweeping.

A Commission on Storm Water Issues regular monthly meeting was held on Tuesday, May 3. The discussion at the meeting included updates on citizen stormwater needs survey, sinkholes forming on the streets network due to drainage and sewer infiltration issues, and status of the Army Corps Flood Risk Management study.

A Traffic Commission regular monthly meeting originally scheduled for Wednesday, May 11 is cancelled due to the lack of agenda items.

A Green Practices Commission regular monthly meeting is scheduled for Thursday, May 12 at 5:30 p.m. The meeting will be hosted at the Heman Park Community Center.

## Parks, Recreation & Forestry

Parks Commission is scheduled to meet on Tuesday, May 10, 2022, 6:30 p.m. at the Heman Park Community Center.

Urban Forestry Commission is scheduled to meet on Wednesday, May 11, 2022, 6:00 p.m. at the Centennial Commons Recreation Center.

Art & Letters Commission is scheduled to meet on Thursday, May 12, 2022, 7:00 p.m. at the Centennial Commons Recreation Center.
