Community Report: 0522-22

Honorable Terry Crow,
Members of the City Council,
and University City Residents:

Administration

University City Community Vision 2040 Project Update

Please get involved and participate!

University City's Community Vision 2040 project is entering its final stages and there are two ways you can still get involved to let your voice be heard. Please take the **Community Survey #2** and sign up to participate in the **Focus Groups** that will take place June 15-18. A key part of the visioning process, the Focus Groups will help to synthesize community input from both Community Surveys and the Think-Tank and explore a set of crucial questions. Join fellow community members and help shape our future!

Take the survey and register for the Focus Groups at the following link:
<https://lab2.future-iq.com/university-citys-community-visioning-project/>

Each Focus Group has its own specific topic. All are open to the public and you may register for as many as you would like. Hard copies of the survey may be picked up at City Hall.

Parks, Recreation & Forestry

Arts & Letters Commission Meeting – Thursday, June 9, 7 p.m. via Zoom

Volunteer Coaches Needed for Redbird Rookies

The Recreation Division and University City School District partnered with the St. Louis Cardinals to provide a FREE noncompetitive, coed youth T-ball, Baseball and Softball sports program for University City youth ages 5 to 13. In addition to providing all the uniforms and equipment needed for each team, Redbird Rookies provides extensive off-field support in the areas of health, education, mentoring, cultural arts and scholarship.

Redbird Rookies coaches and league organizers take part in training sessions led by Positive Coaching Alliance and USA Baseball, that teach innovative coaching practices and character-building techniques that are essential to each participant's growth. Parents are also involved, as they participate in courses that share how to encourage and support their children through positive reinforcement. In addition to the training the adults receive, Redbird Rookies participants are led in a series of clinics taught by Cardinals Alumni and USA Softball players that teach the fundamentals of the game. Online Registration is Required at www.redbirdrookies.org. (see Attachment 2)

Fire Department (UCFD)

University City Fire Department Calls for the Week:

EMS – 56

Fire – 43

Total calls for the week - 99
