

## Heman Park Pool Repair and Reopening Update

The Parks, Recreation and Forestry Department has been making strides towards reopening the pool this summer. All electrical work within Centennial Commons and the bathhouse are nearly completed and the new pool pumps have been installed.

On Mon., the City Council approved funding for repairs to be made to the pool lighting systems and fencing. In addition, the Department has been working closely with the pool contractor to begin replacing the hot water heater, operational supplies and equipment.

Over the coming weeks, there will be a lot of activity at Heman Park Pool to get the pool opened this summer. As the cleanup and repairs continue, staff will be able to better anticipate a date of which the pool can safely reopen.

## University City Police Department SAFETY TIP

The Missouri Department of Public Safety offers the Crime Victims' Compensation Program, which can provide financial assistance to people who sustained traumatic injuries resulting from certain violent crimes. We know that injuries can be more than just physical. The CVC Program can cover trauma that leads to emotional and mental health issues.
