## Who Are Volunteers

Volunteers are eligible citizens within our community that performs duties and services for the department without compensation or reward.

## We Value Our VIPS

As a community oriented police agency, volunteers are essential to our department. They help build bridge the gap between our department and the community. Their help also allows us to focus on policing, maximizing our resources which overall enhances public & officer safety.

## Volunteer Duties

Volunteers support department personnel by performing duties within their area of expertise.

Such duties can include but not limited to:

- Special Event Support
- Neighborhood Watch
- Translation
- Photography
- Graphic Design
- Word Processing
- Data Entry
- Web Searches
- Customer service
- Computer programming
- and more
