U City Community Update

## Third Ward Revitalization Community Ambassadors Wanted - APPLY NOW!

Are you passionate about improving the Third Ward community?  
Would you like to work directly with neighbors and partners to make positive change happen?

In the spring of 2023, the City of University City selected a team led by Yard & Company (Planners) to facilitate the creation of a Revitalization Plan for the Third Ward. The City and Planners will work with local residents and a variety of community stakeholders – nonprofits, faith-based organizations, anchor institutions, supportive services agencies, businesses, and others – to create a forward-looking Plan with a strong commitment to diversity and inclusion.

We are seeking up to five Community Ambassadors who are currently residents of the Third Ward neighborhood to assist in the planning and engagement process.
