U City Community Update

July 1 Storm Recovery Update

Following the storms of July 1, our crews and first responders have been working nonstop to cleanup and assist residents recover from the storms.

Beginning Mon., July 10, University City crews will begin collecting mass debris in the Third Ward. We are asking all residents to move tree limbs and debris to the curb.

Debris (trees, limbs, branches, etc.) from public trees that are within the public rights-of-way will be removed by the City. If you have a tree down on private, common property or a private street, it is the homeowner's responsibility to get the tree moved to the curb. Once moved to the curb, U City crews will be out to collect it.
