

STORM CLEANUP UPDATE

Following the extensive damage of the July 1 storms, University City residents have been asked to place downed tree limbs on the curb of their property for pickup.

Cleanup work is nearly completed in the 3rd ward. Beginning, Mon., July 31, cleanup will begin in the 2nd ward on the westside and move eastward. As work progresses, we will continue to update you.

In addition, all residential public and private street sweeping will be ceased until further notice due to storm debris pickup.
