U City Community Update

WeMake

UCITY

Resilient. Livable. Prosperous.

Share your feedback on U City's Draft Comprehensive Plan

Now is your opportunity to review and share your feedback on U City's Draft Comprehensive Plan: *We Make U City*.

We Make U City is an update to the City's comprehensive plan which impacts policies related to land use, development, city services and much more. We have collected, analyzed and reflected on the input you provided this spring, and now we need your input on draft recommendations for the plan!

Some of the key recommendations include:

- Taking proactive measures to address flood-prone areas
- Increasing housing options in all U City neighborhoods
- Improving safety and access for those getting around U City without a car
- Focusing growth on neighborhood “nodes” (walkable mixed-use areas)

Severe Weather Preparedness

On Tuesday, [University City Fire Chief Bill Hinson spoke with KSDK](#) about University City's severe weather preparedness, especially for flooding in the area.

Chief Hinson encouraged residents to sign up for University City's CodeRED Emergency Alerts. CodeRED is a FREE community notification system available to residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, emails and social media. [SIGN UP FOR CODERED ALERTS HERE.](#)
