As we approach the Fourth of July holiday, the University City Fire Department would like to remind residents of the dangers of fireworks. The only safe way to view fireworks is to attend a professional show. It is important to know that fireworks are not safe in the hands of consumers. Fireworks cause thousands of injuries each year.

A few ideas to get into the patriotic spirit without fireworks:

1. Use glow sticks, they glow in the dark and are a safe alternative to a sparkler. Fun for all ages.
2. Loud and proud. Noise makers are sure to make a statement.
3. Outdoor movie night. Set up a screen a projector. Don't forget the bug spray!
4. Red, white and blue silly string...fun for all ages.
5. Make a patriotic craft with the family.
6. Throw a birthday party for USA, and don't forget the cake!

HOLIDAY TRASH

No trash or recycling collection will occur on the holiday. All trash and recycling routes scheduled on and after **July 4th** will be collected the day **AFTER** your normal collection day.
