The City of University City is excited to announce the groundbreaking ceremony for the Annex/Trinity Renovation Project on **August 1st at 10:00am**. This significant event marks the beginning of a transformative initiative aimed at

modernizing our police facilities to better serve the entire U City community. By embracing 21st-century policing practices and technologies, the renovation will enhance safety, improve service quality, and underscore our commitment to community-focused policing. Join us in celebrating this milestone as we take a crucial step towards a safer, more advanced future for University City.

Parking will be available at City Hall and in Municipal Lot 4 at no cost.

Ruth Park Golf Course Renovation Project Underway!

The University City community has begun a major improvement project at Ruth Park Golf Course starting by relocating 46,000 cubic yards of dirt from the Market at Olive Development, with the aim of constructing two additional forward tees at Hole 1, creating a new practice green, and adding two acres of grass tee space at the driving range.

This 28-day operation will see approximately 200 trucks per day, impacting local traffic and causing dirt and noise pollution. ***Golfers will experience the closure of Hole 1's tee box for 30 days, half of the parking lot for a week, and the driving range for about three months.***
