### Campaign Sign Recycling Drive

Friday, November 8  
8:00 am – 5:00 pm  
Centennial Commons Parking Lot, 7210 Olive Blvd.

When election season is over, what happens to all those plastic yard signs? These signs and their metal frames cannot be recycled through single-stream recycling programs. This year, following the November 5 election, University City is participating in a regional effort organized by the St. Louis Green Business Challenge to responsibly collect and recycle campaign signs.

On Friday, November 8 you can drop off your campaign yard signs in the Centennial Commons parking lot near the pool lobby. The signs must be separated from the metal frames. Please note that ONLY corrugated plastic signs and their metal frames will be accepted. NO plastic wrap/film, cardboard, or laminated cardboard signs.
