## Fall Leaf Collection – Second Round Starting Next Week!

The second round of University City's Fall Leaf Collection begins on December 2nd. Crews will start in the central area, then move to the west, and finally wrap

up in the east. Remember to have your leaves raked to the curb by Sunday evening before collection begins in your area.

**Central: Dec. 2-6**

**West: Dec. 9-13**

**East: Dec. 16-20**

To ensure a smooth process, make sure that leaf piles are free of rocks, branches, and any other debris, and that parked vehicles don't block access. Crews will make only one pass per street, so please have everything ready on time.

We're excited to help keep our community beautiful with our Fall Leaf Collection! Please remember, only leaves should be placed out for collection – no other types of waste, such as branches, sticks, or household trash.

Keeping leaves separate makes the process quicker and helps us stay efficient. Thank you for your cooperation, University City! Let's work together to keep our neighborhoods clean and green!

If you have questions or need assistance, don't hesitate to call the Public Works Department at 314.505.8560.

## **Toys For Tots**

The University City Police Department is proud to once again collaborate with the U.S. Marine Corps for the Toys for Tots program! The mission of Toys for Tots is to bring joy and hope to less fortunate children in our community during the holiday season. You can contribute to this meaningful cause by dropping off new, unwrapped toys at the station lobby located at 6801 Delmar Blvd, 63130, at any time.

If you visit during business hours (8 a.m. to 5 p.m.), kindly leave your generous gift with the records clerk. For after-hours donations, please ring the bell to connect with dispatch or call 314-725-2211. The UCPD will be accepting donations from now until December 9th.

For more details about the Toys for Tots program, you can visit [www.toysfortots.org](http://www.toysfortots.org). If you have any questions about the University City drop-site location, feel free to contact Ashley at 314-505-8664. Your support will make a significant difference in brightening the holiday season for children in need. Thank you for your generosity!
