State of The City Program to Celebrate Successes and Future Plans: 7 p.m., Thursday, March 6

TERRY CROW
Mayor

GREGORY ROSE
City Manager

A comprehensive review of the past year and ambitious plans for 2025 will be presented by University City Mayor Terry Crow and City Manager Gregory Rose at the 14th annual State of the City program hosted by the Historical Society of University City.

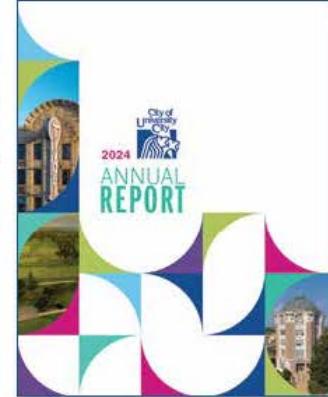

7 P.M., THURS., MAR. 6, CITY HALL COUNCIL CHAMBER 5TH FLOOR, 6801 DELMAR BLVD.
ADMISSION IS FREE, AND EVERYONE IS INVITED TO ATTEND.

Eleanor Mullin, president of the Historical Society of University City, shared her enthusiasm for the event, emphasizing its significance as an annual March tradition. "This program aligns with the birthday of University City's founder and first Mayor, Edward Gardner Lewis, born on March 4, 1869. It's a wonderful opportunity to celebrate our history while looking ahead to the future," Mullin said.

Mayor Crow expressed his enthusiasm for addressing the community and emphasized the City's forward momentum. "University City is thriving, with new development and construction projects that promise long-term economic benefits," Crow stated. "I'm proud of what we've accomplished in 2024 and eager to share our vision for 2025."

City Manager Gregory Rose will provide additional insights, focusing on the City's progress and plans for the future. "In 2024, we tackled key challenges and made important strides in enhancing services and infrastructure," Rose noted. "Looking ahead, 2025 will be about sustaining growth and strengthening our vibrant community."
