University City Appoints New Councilmember: Dr. Lisa M. Brenner

The City of University City is pleased to announce the appointment of Dr. Lisa M. Brenner to the Ward 1 Council seat. A dedicated resident of University City for nearly three decades, Brenner brings a wealth of experience in governance, education, and community advocacy to her new role.

Brenner, a licensed psychologist with a Ph.D. in Clinical Psychology, has been an active leader in the community. She has served on the TIF Commission and as a CALOP representative for the University City School District. Most notably, she was a member of the University City Board of Education from 2014 to 2023, where she held leadership roles as President, Vice President, and Secretary. Her tenure included extensive work on finance, governance, policy, and state legislative advocacy.

Throughout her career, Brenner has demonstrated a deep commitment to public service. She played a pivotal role as Treasurer of the 2024 Prop U ballot initiative, which passed with an overwhelming 88.5% approval. Her background in mental health services, school administration, and legislative engagement uniquely equips her to represent the residents of Ward 1 and advocate for the broader needs of University City.

“I believe good governance doesn’t always make headlines—it ensures our essential city services run seamlessly,” said Brenner. “My priority is to ensure that our city operates efficiently while actively listening to and representing the voices of my constituents.”

Brenner's leadership philosophy is rooted in collaboration, data-driven decision-making, and community engagement. With her extensive experience in governance and advocacy, she is well-positioned to support University City's continued growth and development.

The City of University City welcomes Dr. Lisa M. Brenner to the City Council and looks forward to her contributions in the years ahead.

A comprehensive review of the past year and ambitious plans for 2025 will be presented by University City Mayor Terry Crow and City Manager Gregory Rose at the 14th annual State of the City program hosted by the Historical Society of University City.

7 P.M., THURS., MAR. 6, CITY HALL COUNCIL CHAMBER 5TH FLOOR, 6801 DELMAR BLVD.
ADMISSION IS FREE, AND EVERYONE IS INVITED TO ATTEND.

Eleanor Mullin, president of the Historical Society of University City, shared her enthusiasm for the event, emphasizing its significance as an annual March tradition. "This program aligns with the birthday of University City's founder and first Mayor, Edward Gardner Lewis, born on March 4, 1869. Mayor Crow expressed his enthusiasm for addressing the community and emphasized the City's forward momentum. "University City is thriving, with new development and construction projects that promise long-term economic benefits," Crow stated. "I'm proud of what we've accomplished in 2024 and eager to share our vision for 2025."

City Manager Gregory Rose will provide additional insights, focusing on the City's progress and plans for the future. "In 2024, we tackled key challenges and made important strides in enhancing services and infrastructure," Rose noted. "Looking ahead, 2025 will be about sustaining growth and strengthening our vibrant community."
