University City Millar Park Grant Approval

Congratulations! The City of University City was one of 22 municipalities that was awarded a \$575,000 grant approved by the Municipal Park Grant Commission. The funds will be use for the Millar Park Baseball Field renovations. Millar Park Baseball Field will be completely renovated immediately at the end of next year's high school season. We are so appreciative of the Advisory Committee members who volunteered their time and talents reviewing the applications. Their experience, professionalism and input made this possible and we are so appreciative.

Leaf Collection Guidelines to Residents

To ensure prompt service, leaves must be raked to the curb line the Sunday before collection begins in your area. The East Section will start October 30th, the Central Section the following week and the West Section will be the week afterwards. In addition, yard waste bag stickers are **NOT** required from October 15th - December 31st.

For the 3rd Ward

We need your help to move the 3rd Ward forward!

The Third Ward Housing + Revitalization Plan is a project initiated by the City and led by a task force made up of local residents and stakeholders. The goal is to develop a housing plan and create a revitalization strategy for the 3rd Ward.

October 19, 2023

Dear Community Member:

As the holiday season approaches, we are reminded of the spirit of giving and the joy of coming together as a community. It is with great hope and enthusiasm that I reach out to you today, as we launch our annual holiday appeal. During this special time of year, we turn to our generous supporters to help us continue this vital work and make the holidays brighter for countless families.

Last year, we were able to help 101 families with 264 children in our school district. A typical "adopted" family received a personal hygiene basket, gift card for groceries, laundry soap, toys or activities, and gift cards to buy clothing or other gifts for their children.

Once again, the social workers are requesting donations of gift cards to help families purchase their own holiday presents:
- gift cards to Schaeffs, Aldi's, Walmart, Target, Walgreens, or Old Navy
- Visa or MasterCard gift cards

The goal is to help families by giving each child at least \$20 in gift cards and \$100 in grocery gift cards for the household. The University City Fire Department and several local churches collaborate with us to provide additional toys, activities and hygiene supplies for our families. Families have the opportunity to "shop" for additional toys and items when they pick up their gift cards.

The District's team of social workers is requesting donations be available by December 1 to help ensure the families have time to buy their gifts for the holidays. Please drop off your donation in a sealed envelope or mail to: University City High School, 7401 Balboa Ave. (63130), Attn: Christine Woodward.

Thank you for your continued support. Together, we can create a holiday season filled with love and kindness. If you have any questions, please contact Christine Woodward at University City High School at 314-896-4144 or cwoodward@ucitymo.org.
