

December 22, 2023

The University City Police Department (UCPD) is excited to welcome Probationary Police Officer Kenny Antoine, a recent graduate of the St. Louis County Municipal Police Academy as of December 14th, 2023. Born in Haiti and raised in Illinois, PPO Antoine embarked on

his law enforcement journey in June 2023. He successfully completed 917 hours of intensive training at the academy, showcasing exceptional skill and dedication. His remarkable performance was especially evident in the academy, where he received rewards for Defensive Tactics and Physical Fitness from the police academy. These achievements are complemented by his background as a martial arts instructor, adding a unique skill set to his role in law enforcement.

PPO Antoine's journey is further distinguished by his academic background; he holds a Bachelor of Arts degree in Criminal Justice from Southern Illinois University Edwardsville. Now a resident of University City, his deep connection to the community enhances his role as a protector and servant. His combination of academic knowledge, physical expertise, and personal experience makes him a valuable addition to the UCPD. As he begins his tenure with the department, PPO Antoine is a University City resident and is ready to serve the citizens of University City with integrity and commitment. The UCPD family is proud to have him on board and looks forward to his contributions to the community.
