## UCPD Hosts Bike Repair & Giveaway Event for Local Youth

In August and September, the University City Police Department (UCPD) partnered with St. Louis BWorks to host a community engagement event focused on bike repair and safety.

Local youth had the opportunity to learn hands-on bike repair skills directly from UCPD officers and BWorks volunteers. This collaboration not only gave kids valuable knowledge in maintaining and repairing bicycles, but also built connections between officers and the young residents they serve.

As a special thank-you for their hard work and participation, each child received a bicycle of their own, courtesy of UCPD.

The event was a great success in bringing neighbors together, supporting active lifestyles, and strengthening the bond between UCPD and the community.
