2026 University City Calendar Now Available Online

The City of University City is pleased to announce that the 2026 University City Calendar is now available online. This year's calendar highlights important City services, scheduled meetings, cultural observances, recreation events, and helpful resident resources. It also features the popular "Did You Know?" series, showcasing fun historical facts, local landmarks, and community organizations that make University City unique.

Residents can explore month-by-month information on holiday closures, trash and recycling schedules, leaf and bulk collection dates, recreation programs, and community events throughout the year. The calendar also includes a detailed sanitation route map, utility contacts, City department information, and the Good Neighbor Policy to help residents stay informed and engaged.

The full calendar can be viewed and downloaded on the City's website. Residents should expect physical copies soon via mail. We encourage all residents to take a look and keep it handy as a resource throughout 2026. To view and download the 2026 University City Calendar, visit the link below:

## Notice to University City Residents CodeRED Data Breach Update

The City of University City is aware of a recently confirmed nationwide cybersecurity incident involving CodeRED, the third-party system used by many municipalities—including ours—for emergency alerts and severe weather notifications.

While University City has not received any indication that our resident data has been misused, CodeRED has confirmed that information such as names, addresses, emails, phone numbers, and passwords may have been accessed during this incident.

### What You Should Do:

If you use the same password for CodeRED and other online accounts, we strongly recommend updating those passwords as a precaution.

We will continue posting urgent updates—such as storm warnings and water main notices—on our official city communication channels while CodeRED works to restore full service.
