Support Local Youth This Season — UCPD Gift Card Drive

Last year, the University City Police Department proudly partnered with the U.S. Probation Office to provide bikes and safety equipment to children whose parents are involved in the Federal Justice System. Thanks to the overwhelming generosity of our staff and community, we collected more bikes than there were children available to receive them — a truly remarkable outcome.

This year, the University City Police Department is continuing its commitment to giving back by supporting Good Shepherd on Partridge, a local organization that provides a safe environment for young girls and their babies. Good Shepherd offers guidance, care and essential training to help young mothers learn how to care for themselves and their infants.

To support their mission, UCPD is collecting gift cards to help provide essential items for these families. We are encouraging donations in the form of gift cards from the following retailers:

- Walmart
- Target
- Aldi
- Walgreens

A contribution of \$10–\$20 can go a long way in helping a young mother provide necessities for her child. If preferred, cash or Venmo contributions are also being accepted — please reach out directly for those options.

 **To donate:**

Please turn in gift cards directly to the UCPD collection point noted on the attached flyer.

Together, we can once again make a meaningful difference in the lives of children and families right here in our community.
