## 19th Annual Loop Ice Carnival Returns January 24

The Delmar Loop will transform into a winter showcase on **Saturday, January 24, 2026**, as the 19th Annual Loop Ice Carnival returns for a full day of family-friendly fun. Visitors can enjoy more than 40 custom ice sculptures throughout the district, a live ice carving demonstration at 1:00 p.m. at Fitz's Root Beer, carnival games

and inflatables, winter activities, and appearances by Louie and the St. Louis Blues Street Team.

New this year, attendees can participate in an Ice Sculpture Scavenger Hunt using the Loop Passport app for a chance to win prizes. The evening will feature live performances by **Flux Inferno Fire Dancers** from 5:00–7:00 p.m., followed by a spectacular **drone show finale at 7:00 p.m.**

Residents and visitors should note a **temporary road closure** related to the drone show. The **intersection of Skinker Boulevard and Delmar Boulevard** will be **closed** from approximately 6:30–7:30 p.m. on January 24. Southbound Skinker traffic will be rerouted at Enright Avenue, and northbound traffic at Westminster Place.

Access for Parkview and Skinker DeBaliviere residents will be managed by on-site security, with brief restrictions during the 15-minute drone show for safety. Additional details about the Ice Carnival and drone show are available at [visittheloop.com/events](http://visittheloop.com/events).
