Memorandum

TO: Bid Competitors  
FROM: Eugene Kuelker, Acting Public Works Deputy Director  
Janet Carter, Department Secretary  
DATE: December 5, 2022  
SUBJECT: Up To 25 Scope Camera Work and Drawings

The City of University City, Public Works Department is Request for Bids:

In accordance with the City's Charter 245, Section 245.040, the City must take on the burden of fixing a damaged sanitary sewer lateral line. We are taking sealed bids for up-to 25 various locations. The first step and cost will be the camera work and drawings of each separate location. The Vendor who is awarded the camera work will also be given the opportunity to submit pricing on the needed repair of each location.

We are accepting sealed bids to the Finance Department, Collector's Office 6801 Delmar Blvd. University City MO 63130 until 10:00 A.M. CDT Wednesday December 21, 2022. The bids will then be opened in the presence of a city staff member. Once the Vendor has been selected, we will notify them in writing.

Please provide the cost for the camera work of the sanitary sewer lateral line, a sketch which indicates the damage/defect and any other available documentation to demonstrate the severity of the problem. You can view the detail of the city's program on our website; [ucitymo.org/departments/public works/sanitary sewer lateral repair program](http://ucitymo.org/departments/public%20works/sanitary%20sewer%20lateral%20repair%20program).
